

The Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Dear The Federal Communications Commission,

I understand that there is a proposal to move away from collecting the Universal Service Fee based on usage, toward a "flat fee." I oppose this. I don't think it's fair. I have a cell phone mostly for emergencies or special situations. I don't believe I should have to pay as much as someone (or a business) that conducts a high volume of calls. Thanks for listening.

Sincerely,

Allan Walstad
